Working Nine2Three

Nine2Three is the latest business to move into the SSHEd. Founded by Shire residents Kathryn and Ross MacMillan, Nine2Three is an employment service specialising in placing bookkeepers and administration staff.

"The idea for our company came when a local accountant told me how hard it was to find high quality and experienced bookkeepers," said Kathryn.

"I knew several excellent bookkeepers that wanted work, but wanted to work family-friendly hours, hence the idea for our business and name, Nine2Three".

Nine2Three offer a range of services, from full bookkeeping through to the recruitment of clerical and accounting staff. They can handle any size business, from those needing bookkeeping once a month to larger businesses requiring regular fulltime employees.
