## THE SSHED TURNS ONE!

The site is a must for HSC students and their parents.

The website was created after two years of research and testing by career advisors and teachers. Following a highly successful pilot last year with 17 Shire high schools, CareerCentral is now expanding across NSW.

CareerCentral also won the prestigious American Webmasters Association 2004/05 Website of the Year, ahead of some 10,000 other international sites.

Nine2Three offers a range of services from full bookkeeping for small to medium businesses through to the recruitment of clerical and account staff.

Founded by Kathryn and Ross MacMillan, the idea for their company was developed when a local accountant told them how hard it was to find high quality and experienced bookkeepers.

Kathryn knew several excellent bookkeepers that wanted to work, but wanted to work family-friendly hours, hence the idea for the business and name, Nine2Three.
