Build networks

There are just a few tickets left to Australia's Biggest Business Morning Tea at 9am on Thursday at Cronulla Sharks Leagues Club, Woolooware.

More than 300 people are attending the event held by Nine2Three employment and recruitment at Sutherland. The event is a great opportunity for people to network while raising vital funds for Cancer Council research, education and support programs.

CPA Australia chief executive Alex Mallay is a guest speaker. The event raised more than \$10,000 last year.
